

PT INDOFOOD TSUKISHIMA SUKSES MAKMUR

PT Indofood CBP Sukses Makmur(ICBP) and Tsukishima Foods Industry Co.,Ltd.(TFI) established a joint venture company, PT Indofood Tsukishima Sukses Makmur(ITSM) in Indonesia.

ITSM provide essential products for bread and confectionery, such as cream filling, fruit filling and flour paste. All of these products are designed to meet a variety of customer's needs.

Since 1981, TFI have established cooperative relationships with Indonesia in various fields. One of them is Hashiya Scholarship Foundation(HSF) which was established by a founder of TFI, Mr. Hashiya. HSF has supported more than 700 Indonesian students while studying at various Japanese universities and institutions.

Not only that, TFI has also collaborated with Salim Group since 1990 in a field of dairy farm. That is why TFI once again trusted the Salim Group as a partner who has product strength and extensive market knowledge.

ITSM combines advantages of Indofood group and technical expertise of TFI in order to contribute to the growth of food industry in Indonesia and Southeast Asia region.
